PRODUCT LEAFLET

TribuneStand max. 65 inch

063.0500 Monitor/platform stand 350 mm (excl. base plate)

This set consists of a short column with a specific head and can be placed on each SmartMetals base plate. Especially for placing a flatscreen just above the floor. The monitor-/tribune stand should be combined with a separate SmartMetals base plate and a rental mount with three coupling bolts. Furthermore the stand can be protected from theft by an optional pad lock (art. nr.: 000.0011).
